O R D E R

IN RE PETITION FOR REINSTATEMENT TO THE
STATE BAR OF MONTANA, CHRIS J. NELSON

Before this Court is a petition for reinstatement filed by Chris J. Nelson (Nelson) on December 4, 2009. Nelson was placed on inactive status on June 27, 2008, for failure to comply with CLE requirements. Nelson's petition did not state whether he is current in his CLE requirements, but has he subsequently filed an affidavit with the State Bar of Montana (Bar) showing that he is compliant. Nelson's petition also disclosed that he is under investigation by the Office of Disciplinary Counsel (ODC) for having entered a municipal court appearance while he was "suspended."

Accordingly, we ordered ODC to file a brief status report on his investigation. ODC's status report was filed on December 30, 2009, and states that, in addition to the current disciplinary proceeding (ODC File No. 09-0194) for the aforementioned appearance in Billings Municipal Court, ODC has ascertained that not only was Nelson placed on inactive status on June 27, 2008, for noncompliance with CLE requirements, Nelson was also administratively suspended by the Bar on or about July 3, 2008, for nonpayment of dues. Although Nelson paid his arrearages in November 2009, ODC states that he has found five other cases in which Nelson appeared in Montana courts while ineligible to practice law, all in violation of M.R.P.C. 5.5. ODC stated that he intended to submit this matter to a review panel of the Commission on Practice on January 21, 2010.

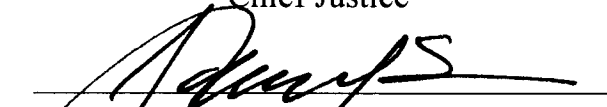

On January 12, 2010, we entered our Order further deferring Nelson's petition for reinstatement and ordering ODC to file a status report as to the further progress of his investigation. ODC filed his second status report on February 26, 2010, stating that Nelson was considering a Rule 26 conditional admission prior to ODC filing a formal complaint, and that Nelson would be providing ODC with certain requested additional information on or before March 5, 2009. On April 7, 2010, ODC filed his third status report stating that the terms of Nelson's purported Rule 26 conditional admission had not been agreed upon, with the result that ODC has filed a formal complaint with the Commission on Practice (COP). That being the case,

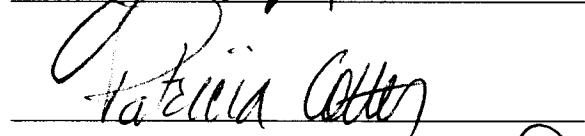

IT IS ORDERED that Nelson's petition for reinstatement will be held in abeyance pending completion of the proceedings before the COP and further order of this Court.

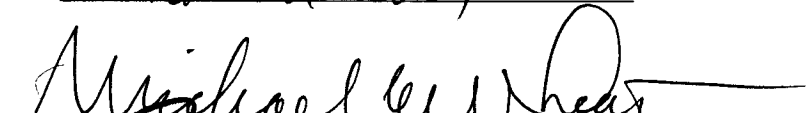

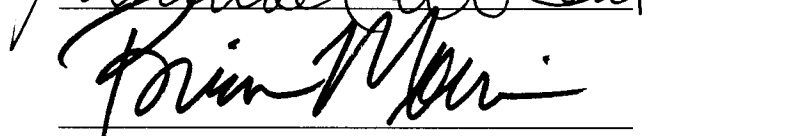

The Clerk of this Court is directed to give notice of this Order to Nelson, to his counsel Robert L. Stephens, Jr., to ODC, and to the COP.

Dated this 13th day of April, 2010.
